Mission Statement

The Peninsula Glass Guild is organized for educational, artistic and charitable purposes.

The goals of the Guild include the sharing of artistic ideas, expanding knowledge about glass, and stretching artistic imaginations through exploration of glass as an artist's medium.

In order to promote an awareness of glass as an art form, the Guild annually donates either glass art, educational glass related materials, or grants to a chosen, public, non-profit organization.

Donated glass artwork is most often designed and created by guild members in a collaborative, educational effort. The guild has also contributed to the purchase of glass artwork for The Chrysler Museum and The American Theatre.
